INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DISCOVERY COLLEGE PTA LIMITED

(Incorporated in Hong Kong with liability limited by guarantee)

We have audited the financial statements of Discovery College PTA Limited set out on pages 5 to 15, which comprise the statement of financial position at 31 July 2015, and the statement of income and general fund and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Committee members' responsibility for the financial statements

The committee members of the company are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards for Private Entities issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with section 405 of the Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO THE FINANCIAL STATEMENTS

31 JULY 2015

GENERAL INFORMATION

The company is an approved charitable institution incorporated in Hong Kong with liability limited by guarantee. The address of its registered office is 38 Siena Avenue, Discovery Bay, Lantau, New Territories, Hong Kong.

The company is established to strengthen communication between Discovery College and the parents of its students, to promote co-operation between the parents and teacher of the college for the promotion of education and to support the college to improve the educational environment of the college for the benefits of the students.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The basis of preparation and accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation

The financial statements of the company have been prepared in accordance with Hong Kong Financial Reporting Standards for Private Entities (HKFRS for Private Entities). The financial statements have been prepared under the historical cost convention.

Certain new standards, interpretations and amendments to existing accounting standards have been issued by the Hong Kong Institute of Certified Public Accountants that are relevant to the company businesses and are mandatory for the company's accounting periods beginning on or after 1 August 2015. The company has not early adopted these new standards, amendments and interpretations for the year ended 31 July 2015. The compnay has already commenced an assessment of the impact of these new standards, interpretations and amendments but is not yet in a position to quantify the impact of these new standards, amendments and interpretations on its results of operations and financial position.

b) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency"). The financial statements are presented in Hong Kong dollars, which is the company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit and loss.

Foreign exchange gains and losses that related to borrowings and cash and cash equivalents are presented in profit and loss within "finance costs". All other exchange gains and losses are presented in profit and loss within "other income" or "other expenses".

NOTES TO THE FINANCIAL STATEMENTS

31 JULY 2015

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES (Con't)

c) Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less. Bank overdraft is shown within borrowings in current liabilities on the statement of financial position.

d) Other receivables and prepayment

Other receivables and prepayment are recognised initially at the transactions price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment of trade and other receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables.

e) Inventories

Inventories are stated at the lower of cost and selling prices less costs to complete and sell. Cost is calculated using the first-in, first-out (FIFO) method. The cost of finished goods comprises other direct cost. At each reporting date, inventories are assessed for impairment and the carrying amount is reduced to its selling prices less cost to complete and sell with the impairment loss recongnised immediately in profit and loss.

f) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any identified impairment loss.

Depreciation is calculated at rates sufficient to write off their cost less their residual values over their estimated useful lives on a straight-line basis, at a rate of 20% per annum.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included is the statement of comprehensive income.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES (Con't)

g) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable and is recognized when it is probable that the economic benefits will flow to the Company and the amount of revenue can be measured reliably.

- (1) Membership fees are recognized over the membership period and no significant uncertainly as to its collectability exists;
- (2) Donations and grants are accounted for on the date of receipt;
- (3) Revenues from campaigns, PTA shop sales and other activities are recognized upon completion of services provided or transfer of the ownership of the inventory;
- (4) Interest income from financial asset is recognized on a time apportionment basis using effective interest method.

h) Impairment of non-financial assets, other than inventories

At each reporting date, equipment are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected assets is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amounts of the asset is increased to the revised estimated of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in profit and loss.

i) Provisions and contingent liabilities

Provisions are recognized for liabilities of uncertain timing or amount when the Company has a present legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditures expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow is remote.

NOTES TO THE FINANCIAL STATEMENTS

31 JULY 2015

3. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
